

## **KGS Queries—March 2007**

**Would like documentation** regarding Stephen Pepper Garrison (twin): I have family history that he was a former probate Judge of Barber County, KS. He was b. July 1, 1861 and d. November 28, 1937; m. Minnie Anderson, b abt. 1870, d 1918. I cannot locate proof that he was indeed a probate judge in KS. If anyone would/could help me with documentation of this, I would gladly hire them to send me this information.
